Welcome to Signal Supervisor

Signal Supervisor builds technologies and services to help users interact and communicate, build communities and better install and enjoy Hiboost and other products.

1.The services we provide

Our mission is to help users create value and bring them the best user experience. To help advance the mission, we provide the below products and services for you:

- **Empower you to express yourself and share your thoughts and advice about our products.**

At Signal Supervisor, there are lots of ways to express yourself to communicate with different users about what matters to you- for example, sharing updates, posting photos and videos, leaving comments on other posts, creating events and groups and adding content to your profile.

- **Connect you with people and organization you're following**

We help you find and connect with other users, group and others that matter for you. We use data we have to make suggests for you and other users. For instance, groups to join, even to participate, page to follow and send a message and other users you would like to add as friends. A stronger connection makes a better community. We believe that our services are helpful when user connect with others they care about.

- **Provide personalized experience**

Your experience on Signal Supervisor is unique: no matter from the posts, stories or other content you see from the feeds and other video platforms, or the pages you're following or other features you're using such as Trending and Search, they are all different. We use the data we have to provide you with a personalized experience, including the connection you make when you use our product, both on and off, choices and sharing you make, and what you share and act.

- **Combat harmful behaviour, protect and support our community**

Only when people feel safe will people build community. We detect misuse of our products, harmful conducts to others and takes actions to stop these to protect and support our community accordingly if they happen. we may offer help, remove content and end access to user's access to some features, ban accounts or contact law enforcement.

- **Improve our products and services**

We may conduct research to develop, test and improve our product and service, including analyzing the data we collect from user to learn how users use our products.

2.Your commitment to Signal Supervisor and our community

What you can share and do on Signal Supervisor

We hope that when users express themselves and share what matter for them, do not harm others' safety and well-being, nor the integrity of the community. Therefore, you agree not to conduct the actions described below(or to facilitate or support others to do so):

You are not allowed to use our product to do or share anything:

- That violate laws
- That is not lawful, misleading, discriminatory or fraudulent.
- That infringes or violates someone else's rights, including their intellectual property rights.

You are not allowed to upload viruses or malicious code or do anything that disables, overburden or any activities that affect the normal operation of our products.

With our permission, you're not allowed to use automated ways to access or collect data of our products. We reserve the right to remove the access to these content if it violates the provisions

To help and support our community, we encourage you to report anything that infringement to your rights or violates our terms and policy.

The permissions you give us

We need your permission to from you to provide services. When you share or upload something such as photos or video, it may be protected by intellectual property laws.

You own the intellectual property rights (things like copyright or trademarks) when you create or share any content, and it won't take away by the terms. You can share your content with anyone and anywhere as you wish.

However, to deliver our service, we need your permission for this content, which we will use to provide and improve our products and services. To be specific, when you share, post or upload anything that is protected by the intellectual property rights with our product, you grant us the license to host, use, distribute, modify, run, copy, publicly perform or display, translate, and create derivative works of your content. That is to say, you give us permission to store, copy and paste the photo when you share. The license will end when you delete the content.

3.Additional provisions

- Updating terms

We keep improving service and developing new features to make our product better serve you and our community. Therefore, we may update the terms from time to time, to reflect our services and practices. We only make changes when there are inappropriate or incomplete provisions, from the premise that the change is reasonable and your interest is considered.

- suspending or terminating an account

We hope Signal Supervisor is a place where users can feel safe to express themselves and share thought and experience. If we determine that you have violated our terms, we may suspend or permanently disable your access to your account. If you infringe others' intellectual property rights or any other rights.

- Limits on liability

We work hard to provide users with the best product and services, and clear guideline. However, we can not guarantee that the product is always safe, secure and no-error. There is no guarantee that they will functions without delay, disruption and imperfection.

And where law permitted, we disclaim any expressed or implied warranties, which include implied warranty of merchantability, fitness for a particular purpose, ownership or infringement. We do not control what users and other people do and say. We are also not

responsible for their behaviours, no matter on and off the product, and what they share including the offensive, inappropriate, obscene and unlawful content.

We can not predict when our product will malfunction. Accordingly, our responsibility is limited to the greatest extent by applicable laws. We are not liable to you for any loss of profit, revenues, information and data, or any consequential, special, indirect, punitive, punitive or collateral damages. Even if we have been notified that the damage may occur, we're not responsible for these.

- Others

We always appreciate your feedback and any other suggestions regarding our products and services. But you should be noted that we may use them without any restriction and obligation to compensate you. We also have no obligation to keep them confidential. We reserve all the rights that are not granted to you.
